**FOR IMMEDIATE RELEASE**

**First Nebraska Bank Reschedules Groundbreaking Ceremony**

*Elkhorn location to be the bank's 11<sup>th</sup> Nebraska branch*

**ELKHORN, Neb., July 2, 2019** – First Nebraska Bank had to reschedule the June 26 groundbreaking ceremony due to rain. The bank will now break ground for the bank's 11<sup>th</sup> location on Wednesday, July 17 at 9:00 a.m. The new branch will be located at 20421 George B. Lake Parkway. The public is invited to attend to learn about the plans and enjoy refreshments. Please enter on the south side through the Coventry subdivision.

"All of our bank locations are special, but this one is particularly meaningful to us because it will be our first location in Elkhorn," said Lydell L. Woodbury, president of First Nebraska Bank. The new location will be the first of its kind in the Omaha area with two walkup Interactive Teller Machines (ITMs) inside the bank and additional assistance offered by universal bankers, as well as the commercial and mortgage lenders. There will be three ITMs in the drive-through facility. All of the ITMs will be offering live teller services from 7 a.m. to 7 p.m., Monday through Friday and most federal holidays, and 8-11 a.m. on Saturdays. The new drive-through facility is scheduled to be available in October 2019 and the main facility scheduled to open in the first quarter of 2020.

The architect is Don Peters and Associates and Fauss Construction is the general contractor.

The new branch joins 10 other Nebraska locations in Arcadia, Bennet, Brainard, Columbus, Decatur, Emerson, Nebraska City, Stanton, Valley and Weeping Water.

**About First Nebraska Bank**

First Nebraska Bank is a locally owned full-service community bank with locations throughout central and eastern Nebraska. The bank's history in Nebraska can be traced all the way back to 1879. The shareholder's roots are firmly planted in Nebraska and in the communities the bank serves. Today, First Nebraska Bank is proud that their commitment to the success of their customers and the economic growth of the communities served has remained strong for more than a century.
